ATCWBAND - ATC™ Performance Wristband

Measurements

Width	3"
Length	3"

Finished measurements in inches.

Wristband Decoration Suggestions

- Embroidery is our suggested decoration method.
- Keep your decoration small or medium in size. The embroidered area will not stretch in the embroidered area after stitching.
- Maximum hoop width is 4.5"
- You will want to use backing under the embroidery
- We suggest using a higher thread density to show better on the loop terry texture.
